

CONTOOCCOOK & NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE

Janet Renaud, Chair

The Contoocook and North Branch Rivers Local Advisory Committee (CNBRLAC) meets the 3rd Monday of each month (including Monday holidays) at Monadnock Paper Mills at 117 Antrim Road in Bennington, NH at 7:00 p.m. The meeting location is well-posted. Visitors and potential members are always welcome. Although we rarely miss meetings, it is advisable to e-mail the chair to confirm that the meeting will take place. Members are appointed by their Select Boards and DES, and come from the towns in the river corridor: Antrim, Bennington, Boscawen, Concord, Deering, Greenfield, Hancock, Henniker, Hillsborough, Hopkinton, Jaffrey, Peterborough, Rindge, and Stoddard.

The CNBRLAC is a local implementation of the The Rivers Management and Protection Act of 1988 (RSA 483), which established a statewide rivers program based on a unique cooperative approach: state designation of significant rivers to manage and protect the river's values and characteristics, and local development of river corridor management plans for shorelines and adjacent lands to protect river resources. The Rivers Management and Protection Program (RMPP) is administered by the Department of Environmental Services (NHDES) Water Division. See <http://des.nh.gov/organization/divisions/water/wmb/rivers/index.htm> for more details.
