Requirements for Permit Applications:

1. All information MUST be printed legibly.
2. Owner name, address and phone number.
3. Location and address of work site.
4. Complete description of work to be done.
5. Number of fixtures, appliances and equipment to be installed.
6. Plans must be submitted on all new buildings and major renovations.

**Notes:**

It is the responsibility of all contractors, electricians and plumbers to obtain the necessary permits from the Rindge Building Office at Town Office before any work has begun. Work must begin within six (6) months of the issuance of any permit.

Electrical and plumbing work requires separate permits. Electricians and plumbers must have a valid license from the State of New Hampshire to obtain a permit. Permits are not transferable.

It is the responsibility of the contractor / property owner to obtain all inspections required. A rough-in inspection is required before any work is covered, and a final inspection is required when all work is complete. Twenty-four (24) hour notice is required for any inspection. This signed application constitutes consent on the Applicant's part to allow for all inspections at the property location listed.

No permit will be issued until all of the above information is furnished, and all the above conditions are met.

Permits are non-transferable.

If this is an "after the fact" permit, it will be subject to a fee described in the Official Building / Fire Fee Schedule.

If you have any questions, feel free to contact the Rindge Building Office at (603) 899-5181 Ex 109

Statement of Compliance: I hereby apply for permission to make certain building improvements as described above (plans to be submitted, if required by the Building Inspector). I have read and understand this statement and hereby agree to all of the terms stated therein. I agree to abide by any and all codes relating to my field of work, including all national, state and local codes. I also realize that any false statement made in the application for permit may be grounds for revocation of said permit, and may be grounds for legal action against me.

Rindge Building Department approval may certify that the applicant can proceed with certain building improvements in accordance with the specifications submitted. Any deviation from the specifications submitted will require an amendment to this permit or additional permits.
